## **Avishkar Research Festival**

**(Student Research Cell)**

### **Preamble**

Research which is an outcome basically of the innovative minds in the modern era at times demands well equipped laboratories and such other infrastructure. If the same is made available by the educational institution at bright ages, it will not only stimulate the activities but will help to identify the students to be groomed further as acclaimed researchers in their respective fields. Right opportunity when made available at the undergraduate level leads to forming such peer group which can be mould in desired direction by motivated teachers, who become their mentors.

As the dream of Former President of India, Dr. A.P.J. Abdul Kalam that India will be Super Power County in 2020.
