

D.A.V. Velankar College of Commerce, Solapur

PERSPECTIVE PLAN

Year: 2015 – 16 to 2019 – 20

D.A.V. VELANKAR COLLEGE OF COMMERCE, SOLAPUR

Perspective Plan: 2015–16 to 2019-20

The present Perspective Plan has been prepared for the period of five years from the academic year 2015-16 to 2019-20 by taking into consideration the quality indicators for overall development of the college and attainment of the vision and mission statement. The perspective plan has been prepared after the suggestions and guidelines received from NAAC during Peer Team Visit, issues discussed in Local Managing Committee & IQAC meetings & responses from the departments & various stakeholders. The committee carefully reviewed guidelines & suggestions & accordingly prepared the present perspective plan for the approval of Local Managing Committee. The perspective plan is subject to revision as per requirement.

Vision:

- To provide quality education to all at affordable cost with special focus on economically backward and socially deprived students creating conducive environment for research and bringing everyone into the main stream of the society for brighter and progressive India.

Mission:

- To create conducive environment for quality commerce and Management education.
- To become a leader in promoting education for all the sections of the society from the city and mofussil area.
- To prepare students and the staff members for periodic assessments as a part of scope for further development and also make them aware about environment, gender equality and social as well as cultural sustenance.
- To impart job oriented commerce and management education useful to the industry and society.
- To promote research, innovation, training and consultancy applicable and useful to the industry and society.
- To establish collaboration with various and relevant institutions to upgrade the knowledge and for better service to stakeholders.
