## **College Library:**

**(estd :1952)**

A college is considered as an academic institution of higher learning offering three-year degree courses. In colleges, the library occupies a prominent position and it is an important and integral part of the teaching programme. It is not merely a depository of books, but an active workshop instrument in the production of or original thinking. The aim and objective of college library is inter-related. College library extends opportunities for self-education to the deserving and enthusiastic students without any distinction. These libraries develop in each student a sense of responsibility in the pursuit of knowledge. College library stimulates the students to obtain, evaluate and recognize knowledge and to familiarize themselves with the trends of knowledge for further education and learning new disciplines.

### **Vision**

- To provide a student-centred learning environment that facilitates transference of information and to cater to the needs of its users to access it.
- To augment and maintain collections in support of the academic pursuits of the College.
- Reprographic Services (photocopy facility at subsidized rates.
- To explore and implement innovative technologies and services to deliver information and scholarly resources, conveniently to users in the campus. To also provide well-equipped and functional physical spaces where students can pursue learning independently beyond the classroom.

### **Mission**

- To provide comprehensive resources and services in support of research, teaching, and learning needs of the academic community
- To facilitate access to right Information at the right time in the right manner so as to produce productive citizens to this great nation in general and to our community in particular.
- Putting technology to use innovatively for the flexible delivery of services and resources to users regardless of location within the campus.

## ❖ Objectives and Functions of College Libraries:

The objectives of college libraries are based mainly on the objectives of the institution itself. The college library must, therefore, reflect the purpose of the institution of which it is part.

Several scholars have viewed the objectives of the libraries in different ways. According to “Education commission” 1966, the objectives of the college library are:

1. To provide resources necessary for research in the field of interest to the college;
2. To help the teacher in keeping abreast of developments in his field;
3. To provide library facilities and services necessary for the success of all formal programmes of the institution;
4. To open the door to the worldwide of books that lie beyond the borders of one’s own field of specialization; and
5. To bring books, students and scholars together under conditions, which encourage reading for pleasure, self-discovery, personal growth and sharpening of intellectual curiosity.

The library plays an important role in the present education system. A well-equipped and well-managed library is the foundation of modern educational structure. It is the responsibility of the library to collect, preserve, organize and disseminate all kinds of reading materials for the purpose of profound use by the readers of an educational institution to which it is concerned. The library is a service institution, the services of the library towards the society are:

1. To provide the opportunity for self-education to everyone.
2. To provide modern trade business for the managerial people to adopt the training for the development of information.
3. To provide up to date information to all.
4. To provide scientific knowledge.
5. To provide biased and unbiased materials for the people.

### Library Activities

#### Library Orientation :

Every year an Orientation Programme is arranged for the fresher's in the month of July / August so as to introduce them with the library collection, activities and services.

#### Book Bank Schemes :

College library provides two Book Bank Schemes to the students. One is College Book Bank Scheme which is managed by the college funds and provided to the financially deprived students. Our staff, students and alumni members generously donate their books to the College book bank. Library also has a BC Book Bank scheme which is funded by the University of Mumbai for the reserved category students. Every year a large number of students avail these facilities.
